Ashland announces new composites distribution agreement for Sweden, Norway and Denmark with Velox

BARCELONA, Spain, January 18, 2019 – Ashland today announced it has appointed VELOX, an IMCD company, as its new main composites distributor for the Nordic countries of Sweden, Norway and Denmark. The new distribution agreement, which was effective 12 December 2018, includes all Ashland unsaturated polyester resin, gel coat, low-profile additives products and epoxy vinyl ester resins, including Derakane™.

“We are excited to expand our partnership with VELOX into the Nordic area,” said Alessandro Lago, sales director, Composites, EMEA. “We anticipate our favorable manufacturing footprint joined with VELOX expertise will further our growth in the area”.
