

News Release

Ashland increases prices on Purelam™ and Purelam Fastcure™ products

DUBLIN, OHIO, July 9, 2018 – Ashland today announced it will increase prices for Purelam™ and Purelam Fastcure™ products, effective July 23, 2018.

Prices will increase between 2% and 9%. While Ashland continues to focus on managing the costs of our products to deliver top-quality products and exceptional service, the recent price increase in our underlying raw materials necessitate the pricing adjustment.

About Ashland

Ashland Global Holdings Inc. (NYSE: ASH) is a premier global specialty chemicals company serving customers in a wide range of consumer and industrial markets, including adhesives, architectural coatings, automotive, construction, energy, food and beverage, personal care and pharmaceutical. At Ashland, we are approximately 6,500 passionate, tenacious solvers – from renowned scientists and research chemists to talented engineers and plant operators – who thrive on developing practical, innovative and elegant solutions to complex problems for customers in more than 100 countries.
